ABOUT SAS SAFETY CORP.

At SAS Safety Corp., we dedicate ourselves to protect our most valuable resource: people.

Established in 1983 in Long Beach, CA, we have grown our product categories throughout the years to provide a complete line of head-to-toe personal protective equipment for multi-markets and DIY'ers; Hand / Body Protection, Eye Protection, Respiratory Protection, Hi-Viz Traffic Safety, First Aid and much more.

As an ISO 9001 Certified company, delivering high performance quality products and commitment to your safety is our top priority.

BANDIT®

OV/N95

Disposable Dual Cartridge Respirator

Disposable, reliable respiratory protection. Pre-assembled to eliminate cartridge and filter hassles. Constructed with a soft, comfortable, lightweight Thermoplastic Rubber (TPR) face piece for flexibility and a secured fit. Ideal for multi-purpose workplace applications.

- Pre-assembled respirator eliminates cartridge and filter attachment hassles
- Face piece is constructed with comfortable, lightweight TPR material for flexibility, comfort and secure fit
- Cradle suspension and easy to adjust head strap
- Low profile cartridge placement is designed for a better field of vision and balance for the wearer
- Packaged in resealable bag to keep respirator clean during non-usage
- **NIOSH APPROVED:** TC-84A-7858

Bump Caps

- Lightweight
- Ideal for use in areas with low head clearance
- Sewn-in sweatband
- 4-point adjustable pinlock suspension system
- **Caution:** Bump caps do not meet ANSI Z89.1

Item No.	Color
7160-06	White

Deluxe Face Shield

- Impact-resistant polycarbonate shield for long lasting protection
- Aspherical lens design provides larger area for facial protection
- Large spark deflection
- Push and turn ratchet-sizing adjustment
- Tension dials increase and decrease tension of shield placement
- Closer curved fit for comfort and greater range of motion
- Meets ANSI Z87.1–2015

Shield Item No.	Replacement Item No.	Color	16" x 16" Storage Bag Item No.

5140	5150	Clear	5145-20
5142	5152	Green*	

*Not for welding

Earmuff / Face Shield Combo

- Attachable earmuffs
- 3 attachable face shields: clear lens, green lens and steel mesh
- Replaceable interchangeable suspensions
- Available for SAS 7160-01 thru 05 and SAS 7160-45 thru 52
- Meets ANSI Z87.1–2015

Combination Item No.	Description
7160-73	Earmuff / steel wire mesh face shield combo with attachment hardware
Earmuff Item No.	Description
7160-70	Earmuffs (NRR 31) with attachment hardware
Face Shield Item No.	Description
5150	Clear lens shield
5152	Green lens shield (not for welding)
7160-83	Steel wire mesh face shield with attachment hardware
Aluminum Bracket Item No.	Description
7160-91	Universal hard hat bracket for face shields

Aluminum bracket

Clear face shield

Green face shield (not for welding)

Steel mesh face shield

Back Support

- Made of lightweight, cool, washable polyester
- 4 plastic stays for flexible, contoured support
- Tapered design allows a full range of body motion while maintaining proper support
- Two sets of dual elastic stretch-bands for maximum, adjustable support

Item No.	Size
7161	Small (28" x 32")
7162	Medium (32" x 38")
7163	Large (38" x 47")
7164	X-Large (46" x 56")
7165	2X-Large (54" x 58")

Deluxe Hi-Viz Back Support

- Bright orange and yellow design allows for extra visibility
- Made of lightweight, cool, washable polyester
- 4 plastic stays for flexible, contoured support
- Tapered design promotes better movement for proper back support
- Two sets of dual elastic stretch-bands for maximum, adjustable support

Item No.	Size
7261	Small (28" x 32")
7262	Medium (32" x 38")
7263	Large (38" x 47")
7264	X-Large (46" x 56")
7265	2X-Large (54" x 58")

Deluxe Gel Knee Pads

- Super-thick .5" high density closed-cell foam
- Large, low-profile cap designed to prevent "roll over"
- Anti-compression air injected gel
- Easy to use hook-and-loop closures

Item No.
7105

Deluxe Knee Pads

- Plastic cap over tough nylon fabric with soft foam rubber core
- Water and abrasion resistant
- Hook-and-loop closures

Item No.
7102

Kneeling Pad

- Durable lightweight EVA foam
- Comfortable, easy-to-use
- Excellent for periodic kneeling
- Built-in handle for easy carrying
- 16" x 6.25" x .79"

Item No.
7100

E-Z Kneez Knee Pads

- Closed-cell foam padding for all-day cushion and comfort
- Wide straps with hook-and-loop closures for secure fit
- Non-marring surface material

Item No.
7104

Item No.	Description	Case Size
6099-01	Metal	10.43" x 4.7" x 14.7"

Absorbent Oil Pads

- Absorbs up to 25 times its own weight in petroleum product
- Easily installed and removed with no shoveling or sweeping
- Unaffected by temperature changes
- Will not rot or mildew
- Use for cleanup and removal of oil around mechanical equipment
- Use for minor spills or for final cleanup of large spills
- Absorbs oil, coolant, hydraulic fluid, diesel fuels, gasoline, isopropanol, kerosene, nitric acid and MEK
- Great for walkways and open areas to catch leaks, drips and overspray

Item No.	Description
7710	Non-aqueous pads 16" x 20" (100 pads, white)
7712	Universal gray pads 16" x 20" (100 pads, gray)
7720	Non-aqueous roll 16" x 168" (20" perforated pads, white)

Drum Top Pad

- Pad helps eliminate messy drips and overflow when mixing or pumping liquids in drums
- Drum top cover is easy to install
- Pre-cut holes to help fit evenly over the top of a 55-gallon drum
- Highly absorbent polypropylene cover will absorb oil and chemicals

Pack of 25
Item No.
 7730

Spill Control Boom Socks

- Universal sorbent boom socks absorb oil and chemical spills
- Place anywhere you need to stop spills
- Flexible to mold around corners

Pack of 12
Item No.
 7740

Emergency Response Spill Kit

A spill kit is required under federal law CFR 1910.00-1919.180, Subtitle HM-126.F. It is perfect for use in the field and is a necessity for all utility vehicles. Packaged in an easy-carry box.

Item No.	Description	Includes	Description
7710	Absorbs oil, paint or chemical spills on land	7710	Absorbent pads (15 each)
7740	Absorbs over 4 gallons of waste	7740	Absorbent boom socks (3 each)
5109	Fits behind truck seats	5109	Chemical splash goggles (1 each)
6533		6533	Nitrile chemical gloves (1 pair)
7750		7760	All-purpose waste disposal bags (2 each)

SDS Compliance Center

The SDS Compliance Center meets the updated Hazard Communication Standard (HCS) 2015. It provides a convenient storage for quick reference of safety data sheets and other safety documents where hazardous materials are present. Place on walls in warehouses, factories, storage rooms or where chemicals are used and or stored.

- High-visibility
- Provides convenient storage
- Instant point of reference when working with potentially dangerous substances
- Mount on walls in warehouses, factories, storage rooms or anywhere hazardous chemicals are used or stored
- Meets HCS 2015 Standard

Item No.	Description
6000-75	SDS compliance center (includes 1.5" Binder)
6000-70	1.5" Binder
6000-76	3" Binder

Hazard Communication

Hazard Communication continues to be one of the top ten OSHA violations in workplaces. With over 5,000 citations in 2015, lack of Hazard Communication is increasing annually, which puts employees at risk. Complying with Hazard Communication means addressing the chemical hazards, both produced in the workplace and those brought into the workplace.

- Kit includes the necessary forms and procedures to meet OSHA requirements
- Simple-to-understand, fill-in-the-blank type program makes compliance easy
- Meets HCS 2015 Standard

Item No.
6000-50

WARNING: Cancer and Reproductive Harm

WHAT IS PROPOSITION 65?

In 1986, California voters approved an initiative to address their growing concerns about exposure to toxic chemicals. That initiative became the Safe Drinking Water and Toxic Enforcement Act of 1986, better known by its original name of Proposition 65. Proposition 65 requires the State to publish a list of chemicals known to cause cancer or birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 800 chemicals since it was first published in 1987.

Proposition 65 requires businesses to notify Californians about significant amounts of chemicals in the products they purchase, in their homes or workplaces, or that are released into the environment. By providing this information, Proposition 65 enables Californians to make informed decisions about protecting themselves from exposure to these chemicals. Proposition 65 also prohibits California businesses from knowingly discharging significant amounts of listed chemicals into sources of drinking water.

The Office of Environmental Health Hazard Assessment (OEHHA) administers the Proposition 65 program. OEHHA, which is part of the California Environmental Protection Agency (Cal/EPA), also evaluates all currently available scientific information on substances considered for placement on the Proposition 65 list.

WHAT TYPES OF CHEMICALS ARE ON THE PROPOSITION 65 LIST?

The list contains a wide range of naturally occurring and synthetic chemicals that are known to cause cancer or birth defects or other reproductive harm. These chemicals include additives or ingredients in pesticides, common household products, food, drugs, dyes, or solvents. Listed chemicals may also be used in manufacturing and construction, or they may be byproducts of chemical processes, such as motor vehicle exhaust.

COMMON QUESTION

Is a product safe if it carries a Proposition 65 warning?

The fact that a product bears a Proposition 65 warning does not mean by itself that the product is unsafe. You could think of Proposition 65 more as a "right to know" law than a pure product safety law. Voters who approved Proposition 65 in 1986 intended that Californians should have a right to know when they may be exposed to chemicals that cause cancer or reproductive harm.
