

Increase Profitability

Add the 3M™ Headlight Lens Restoration System to your revenue stream of car care services.

This system is a fast and easy way to restore the clarity back to headlight lenses that have become dull or cloudy over time. It was designed with the professional in mind to maximize productivity and performance. In many cases, this kit can be paid for in as little as 10 jobs. Use the 3M™ Headlight Lens Restoration System to increase your profitability and customer satisfaction.
